COMPANY OVERVIEW

About M.K. Export:

M.K. Export has been one of the up coming knitwear garment exporter from Tirupur, the knit city of India. We have our own 100 % export oriented unit having excellent set up in garment manufacturing and quality assurance department. We have committed team of staffs with vast knowledge & experience to take care of the overseas orders for quality and timely delivery. We have our well laid out system in office and in our factory for production and other follow up in every stage.

Sourcing:

We have an excellent network for sourcing from raw material that is yarn to final finishing of goods.

Knitting:

We have full range of knitting machines arrangements, any kind of fabric like Jersey, Rib, Interlock, Auto striper, Fleece and all other different designs can be knitted.

Dyeing:

AZO free dyeing in soft flow, hthp and open winches can be done. We have tie up with leading and sophisticated dye houses.

Printing & Finishing:

Any kind of printing can be done like pigment, plastisol, foam, discharge and reactive etc in chest printing machines and rotary printing. In finishing – washed effect, brushing and shrinkage control can be done in latest machines.

Machineries:

We have fully equipped two different factories with latest machineries of Overlock, Flatlock, Trimmer, Lock Stich Singer, Steam, Ironing and Finishing for both Inner Wears and Outer Wears.

Factory & Production:

We have 100% export oriented unit with the in house capacity of 3000 pieces per day of outer wears and 5000 pieces per day of inner wears apart from this we have regular contract factories to manage excess quantity of orders.

Quality Assurance:

Quality will be monitored from the very beginning stage of the order process. We have Approvals, Testings, Check Point and Inspections at all stages and Periodical inspections will be carried by our quality department as preliminary, online and Final. We also maintain AQL standards according to the specification.

Merchandising & Shipping:

We commit prompt replies to our customers for any queries regarding the order Status, Sample Requirements etc. We take care of the pre shipment and post shipment follows up with documentation and timely shipment.

Our Export Performance:

We exported knit wears for the value of nine crore for last accounting year.
